

REAP Water Resources Committee 2008 Work Plan

Adopted December 10, 2007

Water Resources Committee Work

- Develop an annual work plan and budget to carry out the purposes for which the South Central Kansas Water Coalition was created, specifically:
 - serve as a regional conduit for dissemination to members of information and education regarding the various activities, programs, funding and initiatives as to the various federal, state, regional and local agencies involved in water quality and supply issues in the South Central Kansas region;
 - serve as a regional voice on behalf of the members before federal, state, regional and local agencies and organize member involvement in the activities of those agencies;
 - develop and implement a regional water plan;
 - organize and coordinate collaborative efforts on regional issues of water quality and water supply; and
 - develop or organize services to member water utility operations.
